

SUNRISE - SUNSET

**“We need to be reminded sometimes that a sunrise
lasts but a few minutes.**

But its beauty can burn in our hearts eternally.”

R. A. Salvatore, Author

**Quilts on the Wall, a southern California
association of textile artists, is pleased to
present “Sunrise - Sunset”.**

**Sunsets of the silhouette of a cactus against
the desert sky, camels trekking across the
Moroccan sands, and surfing near the pier
at sunset bring closure to the day.**

**Sunrise invites you to grab a cup of coffee
and listen for the hoot of the owl getting
ready to sleep after a night of hunting; or
bask in daybreak over the broad African
basin as wildlife visits a local watering
hole.**

**Every sunrise and sunset brings a special
feeling to the viewer. We hope you enjoy
the materials and techniques
employed in these art pieces.**
